# Who are we?

Marqt is a new developed concept in retail industry provides shopping experience that lies in between the supermarkets and cold stores in term of size and products variety. The idea of Marqt has started along with the observation of the huge gap between the supply and demand of modern markets in the Seef area. Founders of Marqt is a group of youth who decided to be proactive to the fast paced life through launching a wide-ranging modern market that creates fast, easy yet enjoyable shopping experience. The word supermarket has been shorten to Marqt to reflect the business concept as a shortcut for all consumer's needs under one roof. Marqt; your shopping shortcut!
